

CS 490/491L Progress Template.

Instructions: *Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas.. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

Team/Project Name: **Keyboard Buddies / Earworm**

Team Member #1: **Alvaro Lopez-Romero**

What I did since last progress report:

Strategized on team member roles that we're assigning. Researched technologies and strategies for Machine Learning Model to implement.

Anything holding me up on my last progress report's expected activities:

N/A

What I plan to do before the next progress report:

Partner with Mitchell on what technologies and algorithms to use for our Machine Learning Model.

Team Member #2: **Mitchell Mercer**

What I did since last progress report:

Assisted in brainstorming of team member roles and volunteered to work on machine learning. Researched technologies and strategies for Machine Learning Model to implement settled on use of Jupyter.

Anything holding me up on my last progress report's expected activities:
N/A

What I plan to do before the next progress report:
Partner with Alvaro on what technologies and algorithms to use for our Machine Learning Model. Research learning resources to get a leg up on Machine Learning knowledge base.

Team Member #3: Charles Quebral

What I did since last progress report:
Determined my role as a developer in both the front end and back end of our project as well as researched useful materials to help set up our databases (i.e. SQL).

Anything holding me up on my last progress report's expected activities:
N/A

What I plan to do before the next progress report:
Continue to discuss with the group regarding the project development plan as well as work on/revise parts of the SPMP.

Team Member #4: Nathalie Claire Tivar

What I did since last progress report:
Discussed with the team about our roles. Researched websites or applications that are similar to our project as well as other tools that can be of help on building our project's website. Also started to learn React.

Anything holding me up on my last progress report's expected activities:
N/A

What I plan to do before the next progress report:

I will continue to do more research for the project and will work on the SPMP. I will also continue to study React and start looking into Google's Cloud Platform

Team Member #5: Rodolfo Rivera

What I did since last progress report:

Discussed and confirmed my role in the project. I looked into backend development and decided spring boot may be the best option.

Anything holding me up on my last progress report's expected activities:

N/A

What I plan to do before the next progress report:

I plan on learning about spring boot more and get a better understanding of what backend development really is and how to implement it in our project.

Date: _____

Team Progress (0 -- 3): _____

0 -- no progress has been made by the team

1 -- insufficient progress has been made for the team to complete their capstone

2 -- sufficient progress has been made for the team to complete their capstone

3 -- excellent progress has been made by the team

Report Quality (0 -- 3): _____

0 -- missing or empty report

1 -- report briefly written with incomplete sentences, lacking descriptions of work

2 -- well written report with sufficient description of work performed since last progress report

3 -- excellently written report with detailed description of each team members progress
