

CS 490/491L Progress Template.

Instructions: *Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas.. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

200 words minimum per team member required for credit across the three questions.

Team/Project Name: **Keyboard Buddies / Earworm**

Team Member #1: **Alvaro Lopez-Romero**

What I did since last progress report:

Made additional updates to the Spotify API classes. Began templates and building our SDS document and Peer Review Artifact #2.

Anything holding me up on my last progress report's expected activities:

N/A

What I plan to do before the next progress report:

Will continue to develop other requirements for the next deliverable in Comp 491L.

Team Member #2: **Mitchell Mercer**

What I did since last progress report:

Created a MySQL 8.0 Instance on google cloud and loaded it with a test project spring-boot-petclinic to test the feasibility and implementation of cloud based MySQL

projects. Began implementation of our designed schema

Anything holding me up on my last progress report's expected activities:

Lack of MySQL knowledge and instance deployment

What I plan to do before the next progress report:

MySQL DB updated to project schema and current version of our project deployed onto our Google Cloud Instance. Prepare for Requirement Demo.

Team Member #3: Charles Quebral

What I did since last progress report:

Contributed to the landing page, created loginController.js to do backend calls. Discussed demo as well as future deliverables.

Anything holding me up on my last progress report's expected activities:

N/A

What I plan to do before the next progress report:

Will continue to develop other requirements for the next deliverable in Comp 491L.

Team Member #4: Nathalie Claire Tivar

What I did since last progress report:

Worked on the landing page and the homepage of the project. Met with the team to discuss the upcoming demo.

Anything holding me up on my last progress report's expected activities:

N/A

What I plan to do before the next progress report:
