CS 490/491L Progress Template.

Instructions: Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas.. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.

Team/Project Name: <u>Keyboard Buddies / Earworm</u>

Team Member #1:   Alvaro Lopez-Romero

What I did since last progress report:
Continued programming a new Spotify API class that will retrieve a user's top listened to songs in Python.

Anything holding me up on my last progress report's expected activities:
Need to get the Spotify API integration with our apps front-end log-in module. Time-management with all my other class projects.

What I plan to do before the next progress report:
Finalize the new Spotify API class in Python and the integration of our login using Spotify's API.

Team Member #2:   Mitchell Mercer

What I did since last progress report:

Basic implementation of linear regression

Anything holding me up on my last progress report's expected activities:

Busy with work / other schoolwork. Which is a running theme

What I plan to do before the next progress report:

Finalize linear regression, potentially with a support vector machine. Implement parameterizing ML code to have it work with any user.
