CS 490/491L Progress Template.

Instructions: *Each team member should enter their activities performed for the capstone project in the last two weeks, as well as their expected activities for the next two weeks, along with anything holding them up on completing their activities. These should be discussed by the team and their advisor(s) during the weekly/biweekly meetings, and the advisor(s) should sign and date the sheet indicating a correct assessment of the team's progress. Students need to upload a signed and scanned version to Canvas.. Progress reports uploaded to Canvas without a signature and score for progress will receive a 0 for progress.*

Team/Project Name: Keyboard Buddies / Earworm

Team Member #1:   Alvaro Lopez-Romero

What I did since last progress report:
Did some research about implementing Machine Learning from Python libraries. Reviewed more information about the Spotify API.

Anything holding me up on my last progress report's expected activities:
Overall just timing since it's the beginning of the semester and working out our team's availability.

What I plan to do before the next progress report:
Review my Spotify API code and make some successful GET requests.

Team Member #2:   Mitchell Mercer

What I did since last progress report:

Since last report extensive research and implementation into the spring framework and began research into Machine Learning.

Anything holding me up on my last progress report's expected activities:
Adjusting to new semester demands and scheduling

What I plan to do before the next progress report:

Spring Framework implemented without issues. Machine learning notebooks populated.

Team Member #3: **Charles Quebral**

What I did since last progress report:
Reviewed front end code, especially in the settings page, researched ways to make the website look more visually appealing.

Anything holding me up on my last progress report's expected activities:
N/A

What I plan to do before the next progress report:
Implement code for new settings (i.e. light mode + dark mode).

Team Member #4: **Nathalie Claire Tivar**

What I did since last progress report:
I reviewed my code to see what I can improve or revise.

Anything holding me up on my last progress report's expected activities:
N/A

What I plan to do before the next progress report:
I plan to fix the part we had issues with last semester and will also remove unnecessary parts to clean my code.

Team Member #5: **Rodolfo Rivera**

What I did since my last progress report:
Went over spring boot 3, and made working example using different technologies

Anything holding me up on my last progress report's expected activities:
N/A

What I plan to do before the next progress report:
I plan on fixing our current project of any bugs/problems with team

----

Date: _____

Team Progress (0 -- 3): _____

0 -- no progress has been made by the team
1 -- insufficient progress has been made for the team to complete their capstone
2 -- sufficient progress has been made for the team to complete their capstone
3 -- excellent progress has been made by the team

Report Quality (0 -- 3): _____

0 -- missing or empty report
1 -- report briefly written with incomplete sentences, lacking descriptions of work
2 -- well written report with sufficient description of work performed since last
    progress report
3 -- excellently written report with detailed description of each team members
    progress
